September 6, 2022

To whom it may concern:

Please accept this as my formal resignation from my position as volunteer Chairman of the Land Use Planning committee, effective October 1st, 2022.

I have been involved with the LUP for over seven years, and chairman for at least three of those. Throughout these years, I have found great value in my time volunteering and love this community more now than I ever have. I have worked with amazing people and fellow community members, and for that I am grateful.

However, I find that I am becoming more and more involved volunteering within the schools and the extra-curricular activities my daughters find of interest. I also realize that these opportunities to be active in their lives doesn't last long; before I know it they will be grown and have moved on. With that in mind, I feel I am not able to give the time and effort required for the LUP at this time.

I plan to continue actively volunteering withing the community and may look for future opportunities at a time when my personal and professional obligations allow.

Thank you again for the opportunity to serve the City of Sundance during my time on the Land Use Planning board.

Respectfully,

Amanda M Miller
